(Effective Fall 2007)

ART 119

3 UNITS

ART 217**3 UNITS****3 hours lecture**

This course focuses on the history of women as artists in the western world, emphasizing their role in the development of content, materials, aesthetics, and critical theory.

CSU**ART 218****3 UNITS****3 hours lecture**

This course surveys the history of art, architecture and design in the Islamic world from its beginnings in the seventh century through the present.

CSU**ART 219****3 UNITS**

RESP 290B

1 UNT

9 hours lecture; 13 weeks

This course prepares students for the National Board for Respiratory Care's Registry Examination, which requires specialized knowledge in solving patient management problems in a

ART 115

(page 90)

From: Survey of Art History 1

To: Art History: Prehistoric to Medieval

Revised Catalog Description

This course covers the major historical and formal developments of art and architecture from the Upper Paleolithic era to the Medieval period with a global perspective. Topics will include an introduction to basic art historical terminology, analysis of cultural context and foundational theories of aesthetic appreciation. **Required for all art majors.**

ART 116

(page 90)

From: Survey of Art History 2

To: Art History: Renaissance to Modern

Revised Catalog Description

This course covers the major historical and formal developments of art and architecture from the early Renaissance to the Contemporary period with a global perspective. Topics will include an introduction to basic art historical terminology, analysis of cultural context and foundational theories of aesthetic appreciation. **Required for all art majors.**

ART 118

(page 90)

From: International Art History
3 units; 2 hrs lecture; 4 hrs lab

BIOL 240

(page 96)

Revised Catalog Description:

An integrated course in zoology and organismal biology. Emphasis is on the anatomy, physiology, embryology, and natural history of the major animal phyla as well as the mechanisms of evolution and evolutionary relationships among animal taxa. Intended for Biology Majors.

CFS 250

(page 108)

From: Prerequisite: Completion of Child & Family Studies Certificate Program including a student teaching class. CFS 222 and/or CFS 223 or equivalent.

To: Prerequisite: None

Revised Catalog Description:

This course focuses on the methods and principles of supervising student teachers in early childhood classrooms. Special emphasis is placed on the role of experienced classroom teachers who function as mentors to new teachers while simultaneously addressing the needs of children, parents, and other staff.

DRAM240

(page 124)

From: Intermediate Acting 1

To: Intermediate Acting

Revised Catalog Description

This course is a continuation of the study of acting technique and the creation of dramatic roles on an intermediate level. Students continue to refine technique utilizing improvisation, monologues and scripted scenes from realistic and non-realistic plays. Repeatable once for credit.

Prerequisite: DRAM 120 and Instructor Approval

ECON 101

(page 124)

Revised Catalog Description:

This course focuses on the microeconomics area emphasizing demand and supply analyses. Students in this course will examine different market structures, the impact of government intervention through laws and policies, the nature and source of wages, rents, interest and profits; and international trade.

HEH106

(page 135)

Revised Catalog Description:

This course provides an overview of the personal and social aspects of health, while analyzing the interaction and effects of behavioral, environmental, social, spiritual, occupational, and physical factors. Students in this course apply the basic principles of wellness and health science to develop an informed, personal approach to mental and physical health.

HEDC 101

(page 135)

Revised Catalog Description

Pharmacology 101 introduces students to the general principles and application of pharmacology. Topics include drug classifications, indications, side effects and interactions. Drug dosage calculations will be reviewed. This course is a prerequisite for the Vocational Nursing and Psychiatric Technician programs. Letter Grade Only.

HIM 100

(page 138)

From: The American Mind 1

To: American Mind 1

Revised Catalog Description

This course is a critical examination of key philosophical, religious, artistic, scientific, economic and political ideas that have shaped American society from the Native-American and European-American migration and settlement to the late 1800's. Students in this course will analyze diverse and conflicting arguments on the American experience with particular attention given to the influence that Native-Americans, African-Americans, Asian-Americans, and Irish-Americans have had on the development of American culture.

Recommended Preparation: Completion of ENGL 100

HUMA 101
