

SELF EVALUATION SURVEY

FOR LIBRARIANS

Directions: Napa Valley College strives to recognize instructional practices that are research based and linked to student achievement. Before your first meeting with your coaches, study the components of the tenured evaluation. Identify areas of strengths as well as those areas that could be improved. Write goals and identify professional development activities that will assist you in improving those components of the evaluation that you feel need development. Share this Pre-Self Evaluation with your coaches at your first meeting.

There are many pedagogical approaches to teaching. This form is not intended to be all inclusive, but rather a serve as a guide to professional development. It is to be used solely within the evaluation process, and not intended for administrative use.
