**4. Methods of Instruction:**

**Lecture:** Course content delivered in class.

**5. Methods of Evaluation:** Describe the general types of evaluations for this course and provide at least two, specific examples.

Additional assessment information:

Final grade will be based on the following criterion:

1. Class participation and discussion

2. Resource binder

For example:

Students will maintain a resource binder throughout the semester which will include handouts, music/movement activities, online resources, and community resources.

3. Final project

4. Experiential activities

For example:

Students will complete 3 music and/or movement activities with young children in a child care program.

5. Quizzes and Final exam

Letter Grade or P/NP

**6. Assignments:**

2. Read chapter 7 in "Experiences in Movement, Birth to Age Eight" which covers choosing music to use with young children.

B. Writing Assignments

1. Class participation

For example:

In small groups, students will create a design for a music and movement center within an early care and education classroom.

2. Final project

For example:

Students will complete a plan for an in-depth music and movement experience for children encompassing 4-5 processes that were discussed in class throughout the semester.

C. Other Assignments

-

**7. Required Materials**

**A. EXAMPLES of typical college-level textbooks (for degree-applicable courses) or other print materials.**
